

**Biological and Biomedical Sciences Tracks
Admissions Data
Fall 2006-2015 Entering Classes**

| Track | Average Number of Applicants | Average Number of Students Enrolled |
|---|------------------------------|-------------------------------------|
| Computational Biology and Bioinformatics | 73 | 6 |
| Immunology | 90 | 8 |
| Microbiology | 74 | 5 |
| Biochemistry, Biophysics and Structural Biology* | 120 | 17 |
| Molecular Cell Biology, Genetics, and Development | 293 | 33 |
| Neuroscience | 196 | 10 |
| Molecular Medicine, Pharmacology and Physiology** | 127 | 10 |
| | | |
| <p>*Prior to Fall 2012, this was the Molecular Biophysics and Biochemistry Track.</p> <p>**Prior to Fall 2012, this was two separate tracks, Pharmacological Sciences and Molecular Medicine, and Physiology and Integrative Medical Biology. These numbers include totals for both tracks prior to 2012.</p> | | |
