

Yale GRADUATE SCHOOL  
ALUMNI ASSOCIATION

**Commitment to DEIB**

The GSAA Board embraces and values the rich and unique diversity of Yale's Graduate School alumni community.

By promoting an inclusive environment, the members of the GSAA Board strive to represent the breadth of identities, experiences, and perspectives of alumni.

The Board is committed to fostering positive relationships and a sense of belonging through the activities that we organize and in our outreach to and support of current and former graduate students in New Haven and around the world.
