Scholarly Communication and Collection Strategy Fellow—Yale Library, Scholarly Communication and Collection Strategy unit

Mentor: Sandra Aya Enimil; Lindsay Barnett; Amauri Serrano, Director of Scholarly Communication and Collection Strategy; Scholarly Communication Librarian; Head of Collection Strategy, Yale Library, Scholarly Communication and Collection Strategy unit

Fellow Title: Scholarly Communication and Collection Strategy Fellow—Yale Library, Scholarly Communication and Collection Strategy unit

Organization Name: Yale Library, Scholarly Communication and Collection Strategy unit

Organization Website: <https://library.yale.edu>; <https://guides.library.yale.edu/scholcomm>; <https://library.yale.edu/policy/collection-development-statements>

Organization Description:

The Scholarly Communication and Collection Strategy unit at Yale Library manages and maintains the library's collections budget, and provides information and education on scholarly communication topics such as copyright, open access, and scholarly publishing. The unit also manages Yale's digital publishing platform, EliScholar.

GPE Fellow Responsibilities:

Collaborate with departmental staff to improve internet presence.

Participate in projects to increase user knowledge of open access and publishing initiatives.

Assist the department in launching new products and services.

Work on projects related to budget management and collection assessment.

Assist in developing teaching materials related to scholarly communication, copyright, and publishing.

Collaborate with departmental staff on updating and marketing EliScholar as the university's digital publishing platform.

Desired GPE Fellow Qualifications:

The unit is looking for a fellow with strong attention to detail, the ability to work independently and in a team setting, and a willingness to be flexible in working across multiple projects and collaborators. We are also seeking a fellow with strong written and oral communication skills.

GPE Fellow Learning Objectives:

The fellow will have the opportunity to learn more about the inner workings of a large, complex academic library. The fellow will gain knowledge about copyright law and its impacts on academic publishing. The fellow will also gain significant knowledge about the academic publishing landscape, the relationship between scholarly publishers, authors, and academic institutions, and the challenges authors face. Additionally, the fellow will have the opportunity to learn about building, maintaining, and assessing a multi-million dollar collections budget, and have the opportunity to collaborate with other professionals on these topics.
