YSC Community Engagement Fellow at [Yale Schwarzman Center](#)

Graduate Professional Experience Host Office Description

Yale Schwarzman Center located at the center of Yale University is a hub of student life, the arts, and dining. The Center’s core values are wellness, belonging, and collaboration.

Host Mentor

Jennifer Harrison Newman
Associate Artistic Director
Jennifer.Newman@yale.edu

Graduate Professional Experience Fellow Responsibilities

The Community Engagement Fellow at YSC, works with the Artistic Director to lead the coordination of the signature program and the peer-led collaborative *Sessions*, and works with various members of the YSC staff to support communications that highlight the Center’s work.

Graduate Professional Experience Learning Objectives and Opportunities

Working at the Schwarzman Center allows a GPE Fellow opportunities in working within a fast-paced arts organization that produces and manages multiple programs from intimate to the grand. The Fellow will take the lead in curating a signature program, developing communications, and facilitating monthly events.

Desired Qualifications

A successful Fellow will be a creative and curious individual who enjoys getting to know new people and is eager to engage with the diversity of programs and disciplines at Yale and in New Haven. Technically, the Fellow will need to have facility with Yale Connect, Google Docs, strong email communication, and knowledge of and access to a variety of student campus groups. The ideal candidate will not be shy with outreach and solicitation in curating the semester’s Sessions offerings.

Duration of position

Fall 2023 open to extension to Spring 2024
