

To apply for a GPE Fellow position: Submit an updated resume and cover letter to gsasprofessionaldevelopment@yale.edu with the subject header “[Name of Fellow position]” by July 7, 2023.

SEAS Communications Fellow at [School of Engineering & Applied Science](#)

Graduate Professional Experience Host Office Description

Administrative home for the School of Engineering & Applied Science

Host Mentor

Sarah Miller

Associate Dean

sarah.m.miller@yale.edu

Graduate Professional Experience Fellow Responsibilities

The SEAS Communications Fellow will lead communications to the growing and dynamic SEAS graduate student body. We recognize that SEAS graduate students deserve more curated news and information from SEAS, and we think a graduate student is uniquely qualified to lead this. Among other things, the Fellow might lead creation and implementation of a new graduate student newsletter.

Graduate Professional Experience Learning Objectives and Opportunities

1. Opportunity to work closely with the SEAS Dean’s Office and to learn about university administration
2. Opportunity to build and contribute to a sense of community among the SEAS graduate students

Desired Qualifications

Member of the SEAS graduate student community; problem-solver, team player, flexible

Duration of position

Fall 2023
