

To apply for a GPE Fellow position: Submit an updated resume and cover letter to gsasprofessionaldevelopment@yale.edu with the subject header “[Name of Fellow position]” by July 7, 2023.

Online Education Fellow at [Yale Summer Session](#)

Graduate Professional Experience Host Office Description

Yale Summer Session offers academic courses in New Haven as well as online, for Yale students as well as visiting students from other institutions.

Host Mentor

Richard Collins Jr

Director of Online Education and Information Systems

Richard.collins@yale.edu

Graduate Professional Experience Fellow Responsibilities

Creating and editing video content for summer online classes, participating in course planning and instructional design, some social media strategy and data analysis

Graduate Professional Experience Learning Objectives and Opportunities

- we offer mentorship in developing video editing skills. Working in Adobe Premiere will be useful in many contexts: for teaching, social media and personal projects
- we are constantly evolving our models for successful and innovative online teaching and offer opportunities to learn about this growing field
- we cooperate with all departments throughout the university, so offer exposure to many teaching styles and opportunities for cooperation across disciplinary boundaries

Desired Qualifications

- teaching experience in the online space
- interest in instructional design
- desire to learn video editing using Adobe Premiere
- attention to detail and punctuality
- ability to work independently and remotely

Duration of position

Fall 2023 open to extension to Spring 2024
