In this message: Invitation to GSAS Town Hall TOMORROW 5/28

May 27, 2020

Dear graduate students,

Please join me tomorrow at 2:00 PM EST for a Town Hall with Susan Gibbons (Vice Provost of Collections and Scholarly Communication) and Michael Crair (Vice Provost for Research). We plan to share the latest information we have for graduate students regarding Phase 1 reactivation of research on campus. After a short briefing from each of us, there will be a Q&A period at which we will answer as many of your questions as possible. You can also find answers to many questions at the new **Returning to Yale** website available [here](#).
